Recreational Playing Up Request

- GPYSC encourages all players to play at their own age level as identified by OYSA.
- A player considering playing at an age level above that of his/her own age appropriate level should consider discussing this intent prior to registration with the Director of Recreation or the GPYSC Head Coach in order to receive proper guidance and direction.
- A player may play-up one division above his/her appropriate age year with the signed permission form from his/her parent or legal guardian.

Play up request must be presented within 7 days of player registration to be accepted. Play up players will NOT displace age appropriate players on a school team. Play up players will be placed on teams only after age appropriate players have been placed. If the player's school team is full, play up players will be placed on an alternate team.
